MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Delegation of Authority

REFERENCE : Memo to DD/A from C/MS, dtd 13 Oct 54,
subject: "Request for Approval of
Transfer of One Position, EE Division"

1. You asked, in connection with the above reference, whether this was the type of case which came under your delegation of authority.

2. It was proper for you to send this case to me for signature inasmuch as I had previously reserved to myself approval on those cases requiring a budget increase.

3. Since the cases in this category have so far been comparatively few, and are no great burden on my office, I would like to have them continue to come up for my personal review.
